DEDICATION

John Christopher Melican
June 6, 1964 — July 9, 1981

The times we had were special ones.
We stood together and behind each other.
We learned by one another's ideas
And became understanding toward one another.

The memories of you live on,
In their own special ways.
Your friendship was warm,
And your caring sincere.
Your determination brought your good ideas to life.
Your companionship, warmth, and outgoing style
Glow in our hearts.

Strong will marked your way, John.
You were never afraid
To try new things,
To make new changes,
And to prove yourself.
Though you are no longer with us,
The memories and love we shared
Will never leave.

You will always be a part of our lives,
"Class of '82"

Mark Joseph Rembiszewski
January 9, 1964 — July 9, 1981
"Glowhead"

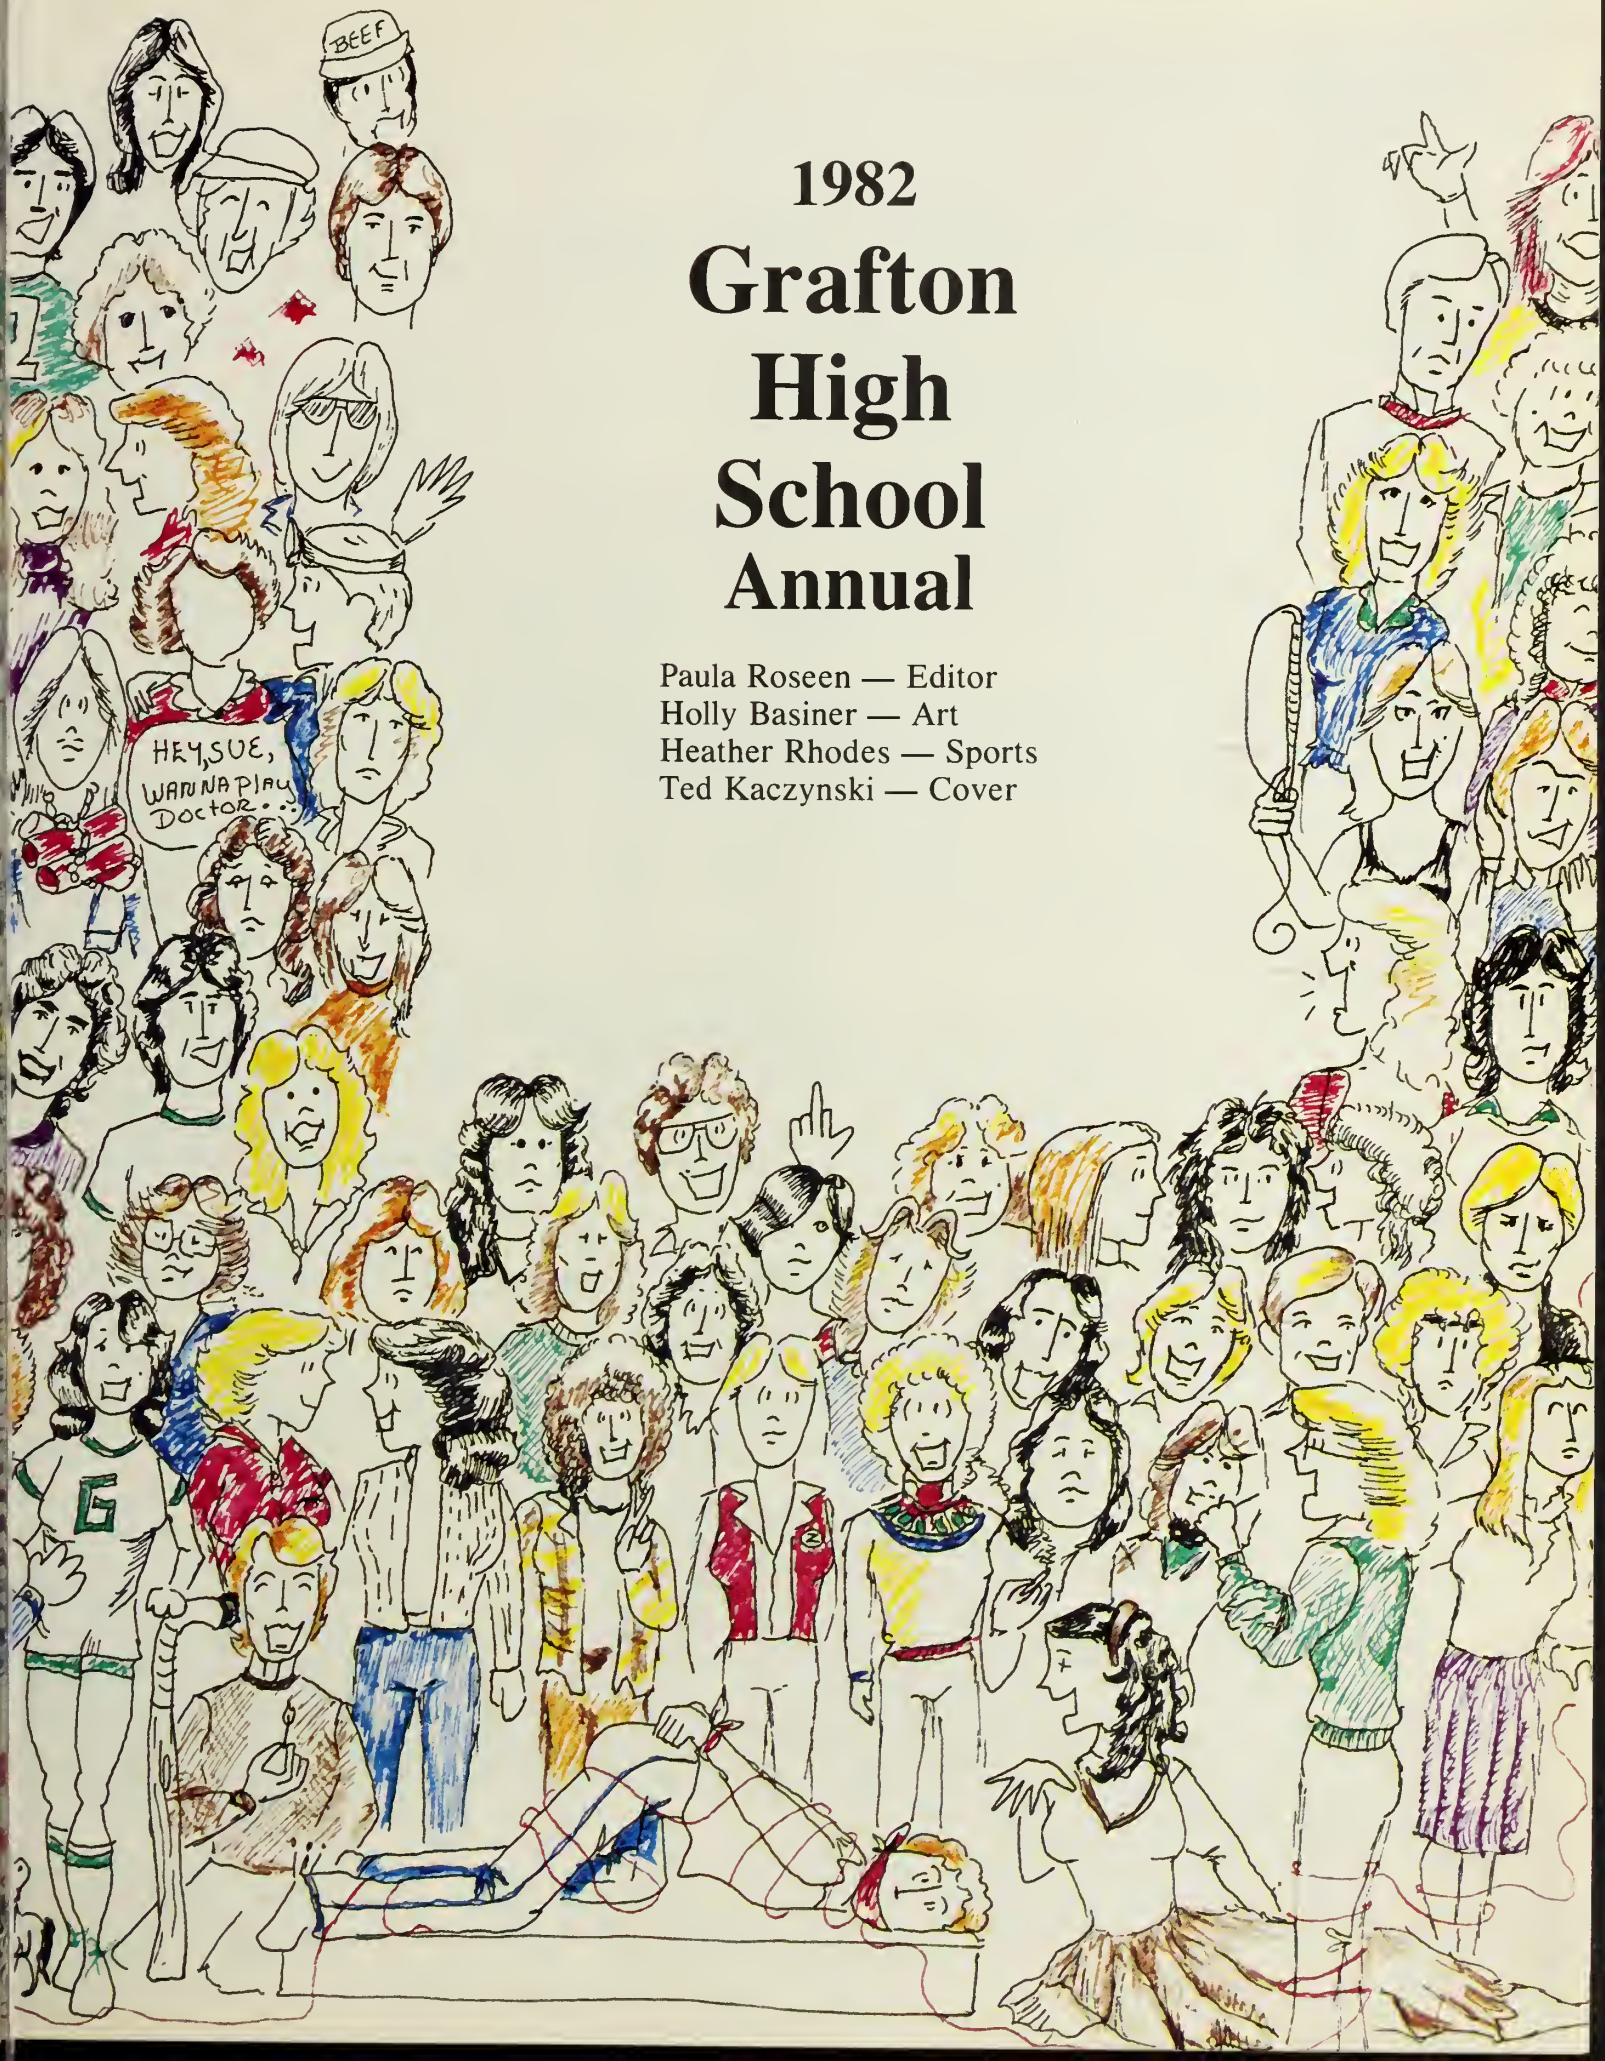

As we shared our lives
In unknown ways,
We remember your thoughtfulness,
Your instant smile,
And your glowing word.

Memories of you linger on
With special thoughts of
Your quiet, easy going style.

You shared with us,
Listened to us,
And were very much a part of us.

You loved life,
Your friends,
Your freedom,
And understood your own individuality.

REMEMBER WHEN . . .

. . . Sue K. fell off the bus during an evacuation drill?
. . . Morb and Deneen put sulfuric acid on Mike Rinaldo's tongue?
. . . we were freshmen, we were shorter than the seniors; when we were sophomores, we were still shorter than the seniors; when we were juniors we were almost as tall as the seniors; and now that we're seniors, we're shorter than the freshmen.
. . . Mr. Tite scaled a test?
. . . Bourgi's green car and Ogie's with the caved-in roof?
. . . the slinky Shawn met intimately in a Physics lab?
. . . the parties that started out small and somehow the whole town of Grafton ended up being there?
. . . as freshmen, we thought we'd never have Mrs. Dadah again?
. . . all the dismissal notes and late notes we wrote ourselves?
. . . Meserve lost his towel at the whirlpool? Cathy does!!
. . . being sick was the only reason we stayed home from school? When???
. . . we didn't have lockers?
. . . everybody said they weren't going to the prom and then decided to go the week before?
. . . the teacher's strike?
. . . Frank's vicious attacks on girls?
. . . the April blizzard of '82?
. . . all the good times and memories that we will cherish for the rest of our lives?
. . . Jim Simonelli got his nose caught in a slamming door?
. . . the teachers knew more about our week-ends than we thought they did?
. . . there was enough food for 3rd lunch? We don't!!!
. . . Carl swallowed a pen cap?
. . . the freshmen knew their place?
. . . Rouwayd won a bet? He did???
. . . Peter Tonelli flashed the Accounting II Class?
. . . Jim Morin walked into school with **two** broken arms?
. . . Vaughn didn't gossip?
. . . Tom Hannigan made the rounds?
. . . Jim J. and Tom H. had their own assembly backstage at the jazz band assembly?
. . . we thought that it would take forever for graduation to get here — It wasn't that long after all.
. . . one of our massive football players almost got sick in Senior Math when Mrs. Langas squished a spider?
. . . we had the heat wave during the evaluations?
. . . there was gambling in open study?
. . . there were poker games and Pumpkin-throwing in 5th period Chemistry? Did Mr. Prunier **really** know what was going on??
. . . Frank (Mick Jagger) Newton gave live concerts in 3rd period study?
. . . Rouwayd taught the boys Syrian swears in Chemistry?
. . . those same boys were so surprised when they found out that one girl in class knew everything they were saying??
. . . there was a National Honor Society?
. . . just before a National Honor Society Installation Goob and Drages were not honor-bound?

REMEMBER . . .

. . . the infamous cast party for "West Side Story?"
. . . Mr. Carter's harem?
. . . Mrs. Langas' Senior Math back corner?
. . . Mike Rinaldo and his monkey?

. . . Mac's house when we were Juniors — if only walls could talk?
. . . Jim Johnson's outbreak in Mrs. Schneider's junior English class?
. . . the hole in the wall in Mrs. Langas's room? Will they ever find out who did it?
. . . Mr. Carter wore jeans on dress-up day? He still looked GREAT!!
. . . when Kevin K. kept "objecting" and almost lost 10 pts. off his average?
. . . when Deneen Quilliam accidently put hydrochloric acid in a solution during a taste test and Pin Head drank it?

FIELD HOCKEY

The 1982 Field Hockey team finished in third place in the SWCL with 9 shutouts for their defense. Their overall record for the season was 6-1-7. Tri-captains Amy Crawford, Ann Baskowski, and Claudette Joncas kept the spirits high, along with the inspiring coaching ability of Miss Joyce Labonte. Lori LeClaire led the offense with seven goals, followed by Karen Frederico with four. Lynn Bull, Claudette Joncas, Amy Crawford, and goalie Robin Zajkowski were all outstanding on defense throughout the season.

Team captains Gary Mewhiney, Kurt and Kevin Spagnuolo, and Peter Tonelli led the football team to a final record of 6-4. The exciting Thanksgiving Day game topped off the season with an 18-0 victory.

Kevin Spagnuolo and Gary Mewhiney (who was injured early in the season) were both selected to the Telegram & Gazette All-Star Team.

CROSS COUNTRY

back row l. to r.: Coach Coleman, Carolyn Pond, Liz Casey, Deanna Girard; front row: Amy Mack, Cathy Burns, Karen Waskevich, Alison Mack. Missing from Photo: Chris Croteau.

The Girls' Cross Country team, led by its only Senior, Capt. Cathy Burns, completed its season with a record of 4 wins and 9 losses. The girls finished 5th in the league meet. The highlight of the season was Cathy Burns' 15th place finish in the league meet, beating several runners who had defeated her during the season.

The 1981 Boys' Cross Country team ended with a somewhat disappointing 6 win — 9 losses regular season record. Injuries to top runners Chris Alex and Meserve Platt cost Grafton a few victories. Seniors Craig Paquette, Meserve Platt, Capt. Carl Engvall, and Jim Wassmann ran well towards the end of the season to lead Grafton to a respectable fifth place finish in the league meet, led by juniors Curt and Clark Paquette.

CHEERLEADERS

Although the cheerleaders didn't go to tournament this year, both squads worked hard and contributed to the increase in school spirit. The football squad arranged Spirit Week and a pep rally before the Thanksgiving game, to "psyche up" both players and the fans. Heather Rhodes and Elaine Sweeney captained the Football and Basketball squads, respectively. The squads gave their teams plenty of support and determination for high-spirited seasons.

BOYS' BASKETBALL

back row l. to r.: Rob Maynard, Clark Paquette, Steve Dunne, Steve Thibodeau, Chris Grew, Craig Dauphinais, Curt Paquette, Coach Kaufman. front row: Dean Cerasoli, Craig Paquette, Larry Lebel, Gary Mewhiney, Joe Buduo.

The highlight of the boys' varsity basketball team was the overtime victory against Northbridge, who Grafton hasn't beaten in 4 years. The three Seniors on this years squad were Dean Cerasoli, Gary Mewhiney and Craig Paquette.

GIRLS' BASKETBALL

The 1981-1982 Grafton Girls' Basketball team managed to finish with a .500 league record, concluding the season at 7-7 in a tough SWCL and 7-9 over-all. Despite an apparent lack of team size, the Grafton girls combined their hustling style of play with an extremely aggressive defense and fast break offense to mold a very competitive squad throughout the year. Led by co-captains Amy Crawford and Lisa Polselli, the Grafton contingent proved to be a strong SWCL challenger for the second consecutive year with a number of close, exciting games deciding the eventual league standings.

ICE HOCKEY

front row l. to r.: Ron Kaleskas, Pat Inman, Dave Erickson, Jeff Letourneau, Steven David, Brian Stover, Dan Noe, Chris Cummings, John DiDonna, Lee Vitkauskas. back row: Assist. Coach Tony LeMay, Ted Girard, Rene Corriveau, Mike Haseltine, Chris LeMay, Peter Tonelli, Tom Hussey, Scott Novick, Chris Alex, Tom Ruane, Steve Lemoine, Ray Morgan, Paul Gaudette, Mike Dame, Coach Ray LeMay.

The hockey team worked very hard through the preseason and the work paid off as they reeled off 6 straight wins before they felt the agony of defeat at the hands of Oxford High School. Led by the All Star Goalie, Brian Stover, the tenacious pressure exerted by hard working Captain Scott Novick and Assistant Captain Peter Tonelli, the Indians notched a 6-0 record by mid-season. Among the victims were Division I teams Auburn, Westboro, and Shrewsbury. Assist. Captain Tom Hussey provided the finesse and play making for the team that outscored its opponents 76 to 30 while compiling a 9-3-2 record.

In the playoff game for the league championship, the Indians easily handled Oxford and won the right to play in the District III playoffs.

ICE HOCKEY TOURNAMENT

On March 3rd the Indians met Westford Academy, the North County League Champs in the semi-final round of the Tournament. The game started on the wrong foot for the Indians as Westford scored at 56 seconds of the first period. After that time Grafton maintained a strong territorial edge in a hard-hitting, fast, action packed game. Grafton tied the score at one later in the game, but Westford went ahead 2-1 with less than 2 minutes left in the game. The Indians roared back to tie the game with 54 seconds left. With less than 35 seconds left Grafton missed 2 excellent chances to go ahead and while pressing hard for the win the Westford center picked up an errant pass and moved in for a score with 14 seconds left on the clock. A 3-2 score eliminated Grafton from the Tournament.

WEST SIDE STORY

This year's musical production was West Side Story, the story of two street gangs in the west side of New York City. The lead roles of Maria and Tony were played by Lori Flynn and Carl Engvall. Other leads included Larry Lebel as Riff, the Jets leader; Frank Newton as Bernardo, head of the Sharks. Kim Reed played the role of Anita, Bernardo's girlfriend. The play, directed by Mr. Orkiseski and Cathy Burns, was an excellent and memorable production for everyone.

"THIS WAY TO BROADWAY"

BASEBALL

The 1982 Baseball season was another memorable one for Grafton High School. Coach, Dick Coleman, greeted several seniors who were members of the District 3 finalists team in 1981. This year the team responded with a second consecutive Southern Worcester County League championship and a District 3 championship. Due to the absence of State Playoffs this year, the team ended their season with the district championship. The captain of the team was Gary Mewhiney.

GIRL'S SOFTBALL

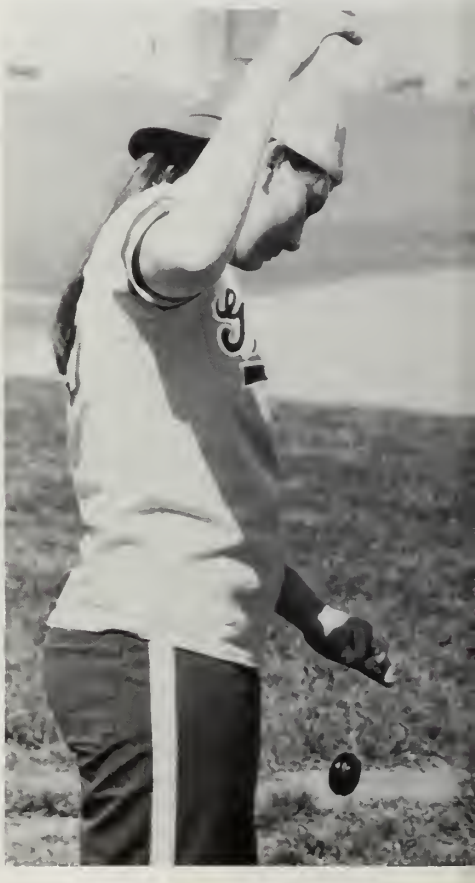

The 1982 Grafton Softball team completed its season with a record of 8-6. New faces and different positions for a majority of the players marked this rebuilding year for the team. Co-captain, Lisa Polselli led the team with a batting average of .479. Tree Taft, pitcher and co-captain, recorded a slate of 7-5.

Front row l. to r.: Michelle Keith, Carol Sweeney, Lori-Ann Lapointe, Theresa Taft, Lisa Polselli, Brenda Simpson, Chris Jones, Sue Tighe. Back row l. to r.: Sue Pieleski, Lori Leclaire, Robin Zajkowski, Beth Zastawny, Dina Vitkauskas, Mary Mahassel, Ann LaDuke, Michelle Quilliam, Michelle Pietrewicz, Coach — Miss Labonte.

GIRLS' TRACK

The 1982 Girls' Track Team proved to be by far the most successful team in the seven year history of the program. The team showed great balance in compiling a perfect 10-0 dual meet record to capture the SWCL championship for the first time. Major victories were also achieved when the Grafton girls won their first SWCL championship meet and captured the District E, Class B Relays Championship. These impressive wins, coupled with a strong fourth place finish in District competition, marked the sudden emergence of the 1982 Grafton Girls' Track Team as a very powerful squad which is respected and recognized throughout Central Massachusetts.

The Grafton Boys' Track Team finished with an 8-2 record. They had a strong second in their league. Our seniors, Ted Kaczynski, had an outstanding season in the long jump, the relay, and the 220. He went on to win 4th place in district competition. Jim Wassmann ran the 440 and the mile relay. Carl Engvall ran the two mile and the mole relay. Meserve ran mile and the mile relay. This year's team was a young one and Mr. Bergenholtz is hoping for a successful team next year.

GIRL'S TENNIS

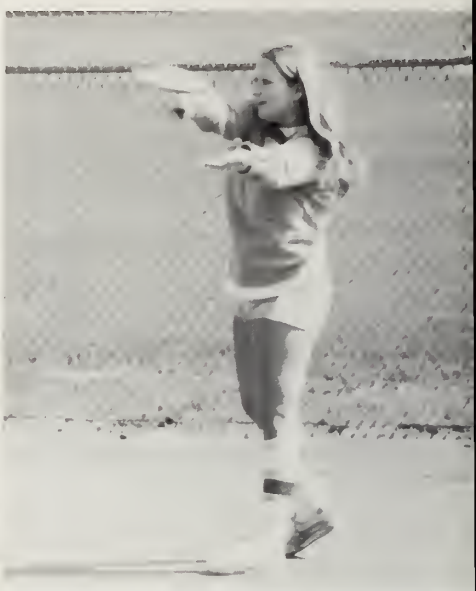

The Girls' Tennis team was led this year by three senior players, Amy Mack, Alison Mack, and Denise Thibodeau. The team had a very successful year, only losing three matches and Mr. Gareau is looking forward to a very competitive and aggressive team next year.

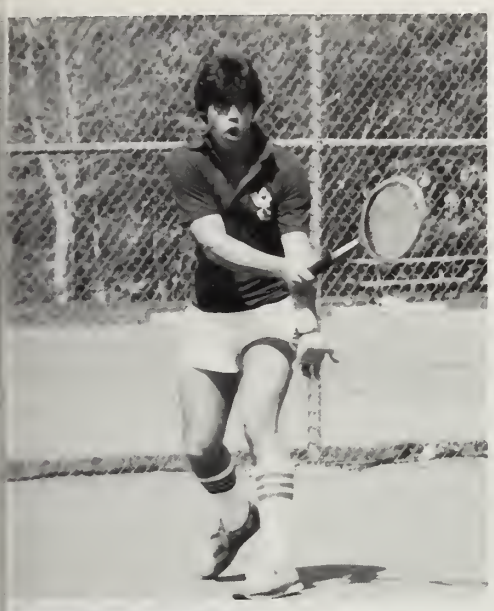

Front row l. to r. Mary Poulin, Michelle Faford, Denise Thibodeau, Amy Mack, Alison Mack, Tracey Coonan, Back row l. to r. Chris Johns, Lynn Morrissette, Ellen Kuchinsky, Tracy Welcome, Laurie Sclar, Katie Maynard, Coach — Mr. Gareau.

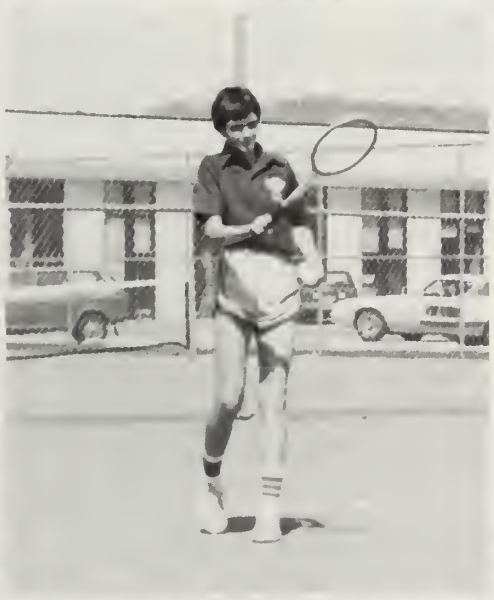

BOY'S TENNIS

Front row: l. to r. Stephen Gemilli, John Atchue, David Tebo, Rob Maynard, Back row: l. to r. Jeff Letourneau, Tom Nicalek, Ted Johnson, Ken Stogren, Mr. Kaufman.

The boys varsity tennis team featured many underclassmen, due to the many seniors who graduated last year. Sophomore, Ted Johnson, and junior, Rob Maynard, comprised the backbone of the team. Both boys improved tremendously during the year, and won key matches against more experienced competition. The great number of underclassmen and their continual improvement raise hopes for an excellent tennis season next year.

GRADUATION

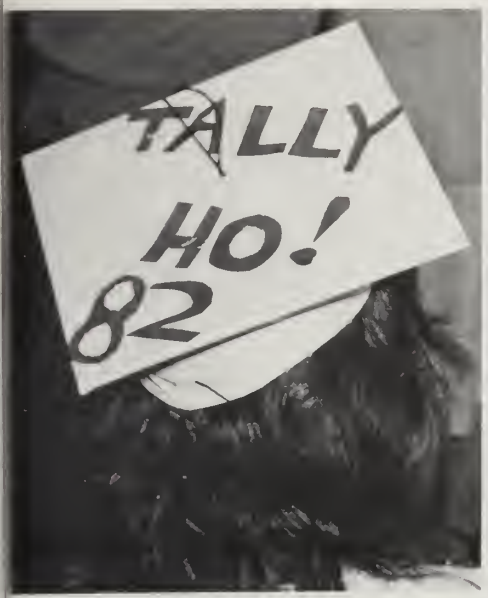

MAY 28, 1982

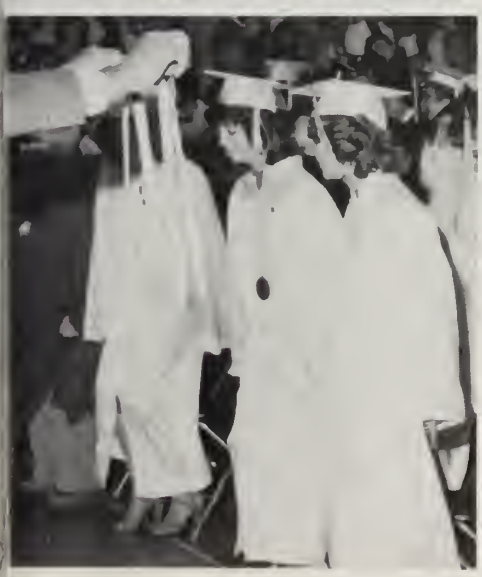

As we all look back in years to come, we will remember Mrs. Betsy Langas, not only as a teacher, but also as a true, dedicated friend. She proved to us what a teacher "should" be: someone always willing to help a student whenever she can . . . a person to look up to, respect, and learn from.

Although Mrs. Langas has been a math teacher at GHS for 12 years, she took on the responsibility as our class advisor just this year. We, the Class of '82, greatly appreciate all her time, effort, problem-solving, and concern for our happiness and well-being.

We will always remember her and thank her for making our last year a memorable one!

Wyman-Gordon. We didn't invent wings, but we've helped Man fly to the stars.

Flight. Man's age old dream come true in the 20th Century. Wyman-Gordon Company has been an integral part of making that dream a reality. In fact, Wyman-Gordon has produced quality forgings for nearly every aircraft and space vehicle developed by the United States in the last 40 years. From the crankshaft for the famed Liberty engine that powered many World War I fighters, to structural components for NASA's Space Shuttle, and everything in between.

Forged turbine parts for jet engines that generate more than 50,000 pounds of thrust at temperatures that can reach 1500 degrees F. Airframe forgings that can support more than 400 tons of jet liner.

Being successful in the aerospace industry means more than making a sale. It means anticipating industry needs, making sure the product performs as the customer expects, assuring the integrity and efficiency of the production process, and delivering on time. That's how we've forged our way to the stars.
